

Our Purpose:

The Indigo Connection was created as a **resource** to assist women in pursuit of **balanced, prosperous and successful lives** by providing regular networking meetings, synergistic relationships with women from diverse backgrounds and stimulating topics for **personal, business and spiritual growth**. As a group, our common values include health, relationships, positive living, generosity and gratitude.

Breakfast meetings are held on the 2nd Wednesday of each month at the Middleburg Hts. Community Center (just east of I-71 & Bagely Rd.). Attendees must register in advance. **First time attendees are invited to attend FREE** as our guest. Membership is not required to attend our functions.
